To our best knowledge, an insert appeared in the Wednesday, October 19, 2005 edition of the *Bellingham Herald* entitled "Who will be Keepers of the Well". This insert is clearly an attempt to appeal to voters regarding Bellingham's Proposition One, which is an initiative on fluoridation. The insert states: "Vote No on Bellingham Proposition 1".

The insert states that it is sponsored by "Clean Water Health Advocates". No address, as required by law, is listed on the insert. Further, there is no record at the Public Disclosure Commission, of a political group by that name. It is a violation of the law for a group to raise and spend money without registering and reporting to the Public Disclosure Commission.

We request that the Public Disclosure Commission investigate theses apparent violations and take appropriate actions related to them.

Sincerely,

Dr. Curtis F. Smith, Co-Chair
